

God Has a Comb-Over
and
Other Little Known Facts
About The Deity

a novel by

Steve Gillard

“Deep down, all of us are probably aware that some kind of mystical evolution is our true task. Yet, we suppress the notion with considerable force because to admit it is to admit that most of our political gyrations, religious dogmas, social ambitions and financial ploys are not merely counterproductive but trivial. Our mission is to jettison those pointless preoccupations and take on once again the primordial cargo of inexhaustible ecstasy. Or, barring that, to turn out a good, juicy cheeseburger and a strong glass of beer.”

Tom Robbins, *The Meaning of Life*
